

## DOUG SOLE

Who is **Doug Sole**.....

Recognized as one of North Americas Leading Corporate Drum Circle Facilitators and Trainers, **DOUG SOLE** is also a successful author and Co-owner of Soul Drums Ltd. He has facilitated drum circles nationally and internationally ranging from 10 to 3,000 players in size. Doug has designed courses for and trains teachers to help fulfill the new challenges in today's educational curriculum, including Multi-Cultural Integration as well as character and principle based educational

programs. In the 1990's Doug's forward thinking helped spawn and accelerate new growth markets for hand drumming and the drum circle phenomenon with his highly successful 1st book " The Soul of Hand Drumming". His creative use and new applications of the African "TUB" notation made it possible for many other countless books and people to share rhythm knowledge in both the musical and non-musical community on the World Wide Web.

Doug has had much success in the professional speaking industry. His platform of Community Building and Values Integration is much sought after by many companies and Conferences. Considered as a pioneer in establishing benefits for the corporate client, his program has proven to produce a highly exciting and effective team-building environment. Since 1992, Soul Drums clients have included The Auditor General of Canada, Canadian Cancer Society, Health Canada, The Ministry of Health, as well as many fortune 500 companies. With this new highly anticipated book, HUMAN RHYTHMIC ENERGY- TRANSFORAMTIONAL LEADERSHIP FOR CLASSROOMS |COMMUNITIES AND CORPORATIONS, come actualize your individual and your communities full potential through the guidance of a masterful teacher, leader, and performer.

# OUTREACH PROGRAMS AND EDUCATIONAL PLAYSHOPS

The **Soul Drums Outreach** programs have effectively grown to be internationally recognized. The layers of satisfied clients include Hospitals, Universities, Public and Secondary Schools, Corporate businesses, therapists, and public "health and wellness" conferences. This diverse client base demonstrates the core value system we all have in common, and are continually trying to reinforce. Our programs have created, as well as spawned, internal programs that have become exciting, fresh and accessible alternatives. Described as "**Multi-cultural-Music-Made-Easy**", "**Creative Communication**", "**...our Music Program Program percussion Primer...**", Soul Drums is excited to continue to make these events an affordable extension of the professional education system.

## PROGRAMS

### CLASSROOM PERFORMANCE PLAYSHOP

This intimate workshop is available for classes up to 40 students. It includes all instruments, a performance demonstration, and an extensive "**hands on**" session. The program can be adapted for any age group focussing on exposing and combining the power of self confidence with the joy of music making in a group setting.

## INTERACTIVE CONCERT PERFORMANCE THE HISTORY OF RHYTHM

This exciting experience is offered for the school that wishes to expose a large group of students to the event. This particular program is extremely flexible and can offer a multitude of messages through the presentation format. A large collection of instruments from around the world will be played. Uses and origins will also be discussed in a question and answer demonstration. A hands-on session that becomes an improvised performance piece facilitated to its maximum potential is always a highlight of the event! This program is available in solo, duet, or trio formats.

All the above programs include a 30 minute Video documentary to help introduce the participants to the joy and spirit of World Music. This is to be viewed before the presentation to stimulate discussion about topics that pertain to your class needs. These events are subject to GST, travel expenses out of the greater Toronto area and are subject to change. Please call us for any further questions, availability and booking times. VISA, M/C, D/C, AND CHEQUES ACCEPTED.
